

*EVERYONE IN AMERICA BECOMES
A DEBT-FREE HOMEOWNER,
AT MINIMUM.*

What will this do for stress levels, for overwork, for over-consumption?

What will this do for each problem in the U.S. and the world?

*THIS PLAN MAKES THE
"AMERICAN DREAM" HAPPEN
FOR EVERYONE, ALL AT ONCE*

When we reopen markets, prices will swing before stabilizing, but nothing terrible can happen; everyone will be in near-perfect economic position.

*THIS IS A REVOLUTION,
NOT A REVOLT.*

The people in power benefit too. They will come out as the richest in the country, to preside over a free, strong, and independent population.

*ARE YOU READY
FOR A NEW PARADIGM?*

Be self-interested for a moment: forget the abstract classes, forget the government, forget the corporations, forget the political -isms, and simply ask yourself:

"WOULD THIS BENEFIT ME?"

This plan asks only that you, and us all, be selfish.

Everyone wins, regardless of class, race, religion or sex.

Have you ever wanted to follow your passion, but worried that you would lose your job, your apartment, or your house?

The goal of this plan is for you to own your apartment, to own your house, to own your business, and to be free of any and all kinds of debt.

To help make this happen, spread the word, and it will.
