

*EVERYONE IN AMERICA BECOMES  
A DEBT-FREE HOMEOWNER,  
AT MINIMUM.*

What will this do for crime,  
for stress levels, for  
overwork, for over-  
consumption?

What will this do for any  
and every problem  
currently ravaging this  
country and the world?

*THIS PLAN MAKES THE  
"AMERICAN DREAM" HAPPEN  
FOR EVERYONE, ALL AT ONCE*

When we reopen the  
market, prices will swing  
before stabilizing, but  
nothing terrible can happen;  
everyone will be in near-  
perfect economic position.

*THIS IS A REVOLUTION,  
NOT A REVOLT.*

The people in power benefit  
too. They will come out as  
the richest in the country,  
to preside over a free,  
strong, independent, and  
grateful population.

*ARE YOU READY  
FOR A NEW PARADIGM?*

Be a self-interested jerk  
for a moment: forget the  
abstract classes, forget the  
government, forget the  
corporations, forget the  
political -isms, and simply  
ask yourself:

*"WOULD THIS BENEFIT ME?"*

This plan asks only that  
you, and us all, be selfish.

Everyone wins, regardless  
of class, race, religion or  
gender.

Have you ever wanted  
follow your passion, but  
worried that you would lose  
your job, your apartment,  
or your house?

The goal of this plan is for  
you to own your apartment,  
to own your house, to own  
your car, to own your  
business, and to be free of  
any and all kinds of debt.

To help make this happen,  
spread the word, and it  
will.
