

THE AVERAGE AGE OF DEATH FROM THE "CORONAVIRUS" IS 74 YEARS OLD, NEAR EQUAL TO THE AVERAGE LIFE EXPECTANCY.

Look at the official CDC stats, inflated as they are. Do the math yourself. This particular virus is no more dangerous than life itself. Let that sink in. There is little more anyone needs to know in order to make smart decisions here.

IT IS ALL A CAREFULLY-CRAFTED, HIGHLY-MANAGED ILLUSION.

Like the red vs. blue political theatre, like the black vs. white race-baiting, like everything designed to get common people to divide and fear each other.

"YOU WILL KNOW THE ROTTEN TREE BY ITS FRUIT."

What has happened to our lives in the past year? What has been the "effect" of the virus panic mandates?

It was not a "virus" that did that. It was government force, coordinated media lies, corporate tyranny, and a naive and compliant populace.

Fear is the primary control method. Fear of "the virus", and fear of "the authorities". This is by design.

"DO NOT BE DECEIVED."

This whole charade is designed to destroy righteous individuals and reward petty tyrants, to ensure a ground level, day-to-day, perpetual cycle of abuse that conditions us to the Chinese brand of tyranny. It was beta-tested over the last 20 years in China, starting with the SARS panic in 2003.

The whole purpose behind the United States government is to prevent the very tyranny we are witnessing from taking place. We have a great responsibility to ourselves, the world, and all posterity, to restore our individual civil liberties. Be proud to do so.

THIS IS FOR ALL "WHO HAVE EYES TO SEE AND EARS TO HEAR."

Do you feel demoralized by the latest "news"? That's the whole reason it's there!

The "good news" is right here: YOU have incredible power to shape YOUR world. Be courageous.

KEEP YOUR SPIRIT HIGH.

Act on this. Spread the word. Trust and have faith in yourself and each other. And your world will change.

THE GREAT AWAKENING, PART II:

EFFECTIVE: JANUARY 21ST, 2021

EXORCISM OF TYRANNY

A Systematic, Constitutional, Popular Strategy to Restore Legitimacy to the Federal Government and Return Individual Civil Liberty to the American People.

A BASIC SET OF FACTS
AND INSTRUCTIONS TO:

- End the "Tyranny Virus"
- Invalidate Decades of Unconstitutional "Laws"
- Reassert Constitutional Law
- End the International Corporate Coup
- Correct the Focus of Law Enforcement and the Department of Justice

And More...

A SET OF FACTS:

The Government of the United States of America operates by the "consent of the governed", and its arms are comprised of regular people who are capable of critical thought.

The Media's primary mission, as of 2020, is "social/psychological management". Practically speaking, the "News" speaks more lies in an average day than most people do in their entire lives.

The Big Technology monopolies are not your friend. Their consolidation of communication channels, and disregard of constitutional rights, is a clear and present attack on humanity.

We have been socially and psychologically manipulated, at a deep level, for our entire lives.

Much of our political system has been sold to the highest bidders.

A re-assertion of individual liberty is requisite for a vibrant future.

In most practical ways, we are already there. Most all that is needed to bring on the 21st Century Renaissance is the right attitude.

Generation after generation of our forefathers fought and died for us to be free. We do not consider them "role models" for nothing.

All of this is basic. Re-read as needed, as antidote to propaganda.

Our society is presently caught in an engineered "cycle of abuse", based on highly-coordinated, highly sophisticated deceptions, by powerful, clever, and malicious actors: a "criminal syndicate".

It's time to stop "going along to get along". The evil engineers know that we don't want trouble, and they are using that against us. You need to really pay attention to what you are doing, and what you are being asked to do, in work and in general. To help break this cycle, follow this method:

INSTRUCTIONS FOR THE American People

If someone orders you to deprive another of their rights, in violation of the Constitution, particularly the Bill of Rights, it is your duty as an American to disregard that order.

If that order is especially egregious, report that person to the authorities.

Police usually focus their law enforcement on the common people, rather than those making the laws. A reversal of focus is in order.

It is clear that our current batch of "lawmakers" is more illegitimate than ever, brazenly corrupt, deceptive, and tyrannical. For decades, many new so-called "laws" have been clearly injurious to personal liberty: drug laws, Patriot Act, etc. The virus tyranny is the intended deathblow.

Police, military, and all serious Americans are to remember their most sacred oath to "uphold and defend the Constitution of the United States of America against all enemies, foreign and domestic". It is time to enforce the real Law upon our so-called leaders, whether elected or appointed, at local, state, or federal level. Follow this method:

INSTRUCTIONS FOR Law Enforcement and the Department of Justice

Review the "laws" you have been ordered to enforce. Who signed them? Arrest and prosecute for offense of the referenced Law below. When someone is removed from a position in government, their deputy takes their place. "Lather, rinse, repeat."

Relevant Law:

Title 18, U.S.C., Section 242
"Deprivation of Rights under Color of Law" – this carries fines, imprisonment, and more, depending on the nature of the offense.

Clarification: "color of law" refers to a statute, ordinance, regulation, or guideline that pretends authority, but is not an actual "law", i.e., any protocol concerning a "virus".
